

GALLOWAY TOWNSHIP

Fall Leaf Collection

NOVEMBER 3, 2014 - JANUARY 30, 2015

PLEASE NOTE: In accordance with Galloway Township Code Section 273-13, those residents who bag their leaves must now use biodegradable paper bags; not plastic bags. Bagged leaves are preferable to raked-to-the-curb leaves, which can blow away and clog storm drains. We ask that you do your part to reduce Galloway's carbon footprint and consider making the change to bagging your leaves in biodegradable bags rather than raking your leaves to the curb. Since this Ordinance has now been in effect for two years, LEAVES BAGGED IN PLASTIC WILL BE LEFT AT THE CURB.*

RAKE YOUR LEAVES TO THE EDGE OF YOUR PROPERTY—NOT IN THE ROADWAY

Leaves must be raked out curbside by Sunday night the week of your scheduled collection.

Raked leaves must be fully accessible; away from utility poles, mail boxes, and parked cars.

THIS COLLECTION IS FOR LEAVES ONLY !

Please—No grass clippings, branches and other debris...
We will leave bags or piles of leaves that contain these items .

RESIDENTS MAY BRING LEAVES & GRASS CLIPPINGS TO THE GALLOWAY ROAD COMPOST FACILITY

Hours: WEDNESDAY-SATURDAY,
8 AM to 2 PM

REMINDER!! GALLOWAY LEAF COLLECTION IS GOVERNED BY THE NJDEP STORM WATER REGULATIONS

Galloway Ordinance # 1787 states: "Yard waste that is not containerized shall not be placed closer than 10 feet from any storm drain inlet." Compost yard debris whenever possible and use a mulching mower that will leave grass clippings on the lawn (this practice is GOOD for the lawn). If putting out leaves for our municipal collection, make sure that you follow the proper schedule and either bag the leaves in biodegradable bags or pile them as far as possible away from any storm drain.*

**Biodegradable leaf bags can be purchased at Galloway Ace Hardware, ACUA and Home Depot*
